AGREEMENT FOR AFFILIATION BETWEEN McLEAN HOSPITAL SCHOOL OF NURSING AND THE MASSACHUSETTS GENERAL HOSPITAL SCHOOL OF NURSING FOR THOSE STUDENTS BEGINNING THE AFFILIATION IN 1961

The Massachusetts General Hospital School of Nursing is to receive all of the women students from McLean Hospital School of Nursing for experience and instruction for a period of 51 weeks. It is understood that women students will report by 8:00 p.m. on August 14, 1961. This affiliation for this group terminates on May 28, 1962 at 4 p.m.

Clinical Experience:

63 days	Operating Room - 25 major scrubs
28 days	Medical or Surgical Out-Patient Nursing
91 days	Surgical Nursing
91 days	Medical Nursing
14 days	Orientation to Medical & Surgical Nursing

No night assignments will be given.
 It is understood that a student will have no more than 21 evenings assigned.

Formal Courses:

15 hours	Health Education Pertaining to Ambulatory Patients
15 hours	(Included with Surgical Nursing)
10 hours	Urological Nursing
16 hours	Gynecological Nursing
12 hours	Orthopedic Nursing
67 hours	Operating Room Nursing
105 hours	Medical Nursing I
2 hours	(Included with Medical Nursing)
50 hours	Dermatological Nursing
50 hours	Surgical Nursing
50 hours	Introduction to Medical & Surgical Nursing

Complete maintenance including room, board, and uniform laundry will be furnished by the Massachusetts General Hospital. If women students wish to make their own arrangements for rooms outside the dormitory, they shall not be reimbursed by the Hospital.

One month prior to the affiliation every student is to have a physical examination including a report of the most recent chest x-ray. Known remedial defects in need of attention should be corrected before the affiliation begins: for example, diseased tonsils and teeth, nasal obstruction, faulty vision. Students are to be immunized against mumps,

typhoid fever, diphtheria, if it is possible to render them immune. Students will not be permitted to use sick time allowance for correction of physical defects present at the time of entrance.

In case of minor illnesses or illness contracted in line of duty at the Massachusetts General Hospital (where instructions have been followed) the student will be provided with floor care on the ward.

Extra charge for special treatments and examinations and nursing care above that ordinarily provided on the ward will be charged to the Home School. The cost of special hospitalization for contagious diseases shall be decided as each individual case occurs. Whenever possible the home school will be consulted before these additional charges are incurred.

Vacation and
Sick Time
Allowance

There will be no vacation in the 41 weeks of affiliation. Students will be allowed seven days absence for illness or sick leave provided the required number of days are spent on each unit or service and provided the student has the required number of classes in the courses. Any time lost over seven days is to be made up at the Massachusetts General Hospital School of Nursing. When time is lost for personal reasons other than illness, the Directors of the McLean Hospital School of Nursing and the Massachusetts General Hospital School of Nursing will decide in which school the time is to be made up and when the student may return to secure the necessary classes and practice.

School
Regulations

During the affiliation students shall be subject to the rules and regulations of the Massachusetts General Hospital School of Nursing. Students who fail to pass a course will be required to pay a fee of \$10.00 - \$20.00 for repeating the course. Students who fail to pass an examination will be required to pay \$3.50 for the privilege of a second examination.

Hours of
Practice

During the period when students are scheduled for classes, the practice week shall be 74 hours. The student hours of practice shall be 40 hours during periods in which classes have been discontinued.

Dismissal

After due conference, the Director of McLean Hospital School of Nursing will withdraw from this School of Nursing any student so recommended by the Director of the Massachusetts General Hospital School of Nursing for ill health, poor scholarship, poor nursing, or misconduct.

typhoid fever, diphtheria, if it is possible to render them immune. Students will not be permitted to wear sick leave allowance for correction of physical defects present at the time of entrance.

In case of minor illnesses or illness contracted in line of duty at the Massachusetts General Hospital (where in- structions have been followed) the student will be provided with floor care on the ward.

Extra charge for special treatments and examinations and nursing care above that ordinarily provided on the ward will be charged to the Home School. The cost of special hos- pitalization for contagious diseases shall be decided as each individual case occurs. Whenever possible the home school will be consulted before these additional charges are incurred.

There will be no vacation in the 41 weeks of affiliation. Students will be allowed seven days absence for illness or sick leave provided the required number of days are spent on each unit of service and provided the student has the required number of classes in the course. Any time lost over seven days is to be made up at the Massachusetts General Hospital School of Nursing. When time is lost for personal reasons other than illness, the Directors of the Boston Hospital School of Nursing and the Massachusetts General Hospital School of Nursing will decide in which school the time is to be made up and when the student may return to secure the necessary classes and practice.

During the affiliation students shall be subject to the rules and regulations of the Massachusetts General Hospital School of Nursing. Students who fail to pass a course will be required to pay a fee of \$10.00 - \$20.00 for repeating the course. Students who fail to pass an examination will be required to pay \$2.50 for the privilege of a second examination.

During the period when students are scheduled for classes, the practice week shall be 24 hours. The student hours of practice shall be 40 hours during periods in which classes have been discontinued.

After the conference, the Director of Boston Hospital School of Nursing will withdraw from this School of Nursing any student so recommended by the Director of the Massachusetts General Hospital School of Nursing for ill health, poor scholarship, poor nursing, or misconduct.

Students who are recommended for withdrawal from the School of Nursing shall be required to pay the withdrawal fee of \$10.00. Students who are recommended for withdrawal from the School of Nursing shall be required to pay the withdrawal fee of \$10.00.

Vacation and Sick Time Allowance

School Regulations

Hours of Practice

Dismissal

Key Deposit

A one dollar deposit for books shall be required by each student upon entrance to the Massachusetts General Hospital School of Nursing. This deposit shall be returned to the student upon return of the books.

Excursions

Excursions incurred on required excursions will be borne by the student. The Massachusetts General Hospital School of Nursing will provide all necessary transportation for students from the home school. Students are to bring whatever textbooks the home school requires in connection with the Massachusetts General Hospital School of Nursing. Experience in Medical and Surgical Nursing is not necessary.

Applications

Applications for admission to the Massachusetts General Hospital School of Nursing should be made to the Director of the School. The Director will require a statement of each student's previous educational experience, a statement of the student's health and physical condition, and a statement of the student's previous nursing experience. This course shall be held in the clinical department of the McLean School. Arrangements for the necessary clinical experience shall be made by the McLean instructor responsible for admission to the school. Within six weeks after the end of each period of affiliation, the Director of the Massachusetts General Hospital School of Nursing will send the Massachusetts General Hospital School of Nursing a record of the student's clinical experience and a statement of the student's achievement in the course. The Director of the Massachusetts General Hospital School of Nursing shall be cleared annually with the Director of the Massachusetts General Hospital School of Nursing. Diploma Program and the Associate Director of Nursing Service.

Records

The Home School shall maintain direct liaison with instructors in the Massachusetts General Hospital School of Nursing. The various courses for purposes of determining student progress shall be provided by the Massachusetts General Hospital School of Nursing. The Home School shall be responsible for the student's progress in the Massachusetts General Hospital School of Nursing. The Home School shall be responsible for the student's progress in the Massachusetts General Hospital School of Nursing.

Inter school Relationship

Termination

With due notice and upon mutual consent of the two schools, the Massachusetts General Hospital School of Nursing may be terminated. For good cause, the Massachusetts General Hospital School of Nursing may, upon three months notice, discontinue the affiliation, but students already in residence will complete the required classes and practice before leaving.

Operating Room Nursing:

Class 63 hours
experience 257 hours (8 weeks)

Ambulatory Nursing:

Class 18 hours
experience 128 hours (6 weeks)

Massachusetts General Hospital
Nursing Care of the Child:
Director of Nursing

McLean Hospital
Administrator
Class 90 hours
experience 312 hours including

6 hours of instruction in nutrition and one week of experience with particular emphasis on the nutritional needs of the child and related health teaching.

Courses taken by affiliation shall be the responsibility of the

Massachusetts General Hospital School of Nursing
Complete maintenance including room, board, medical laundry and other necessary expenses will be furnished by the Massachusetts General Hospital School of Nursing. If students wish to make their own arrangements for room and board, they shall be responsible for the same. The School of Nursing.

Key Deposit

A one dollar deposit for keys shall be paid by each student upon entrance to the affiliation and shall be refunded to the student upon return of the keys.

Excursions

Expenses incurred on required excursions will be borne by the Home School.

Textbooks

Students are to bring whatever textbooks the Home School, after consultation with the Massachusetts General Hospital School of Nursing, may deem necessary.

Applications

Two weeks before entrance of each group the McLean Hospital is to send to the Massachusetts General Hospital School of Nursing on the form provided, a statement of each student's previous education, nursing school, health record, and remarks which might be helpful in understanding and guiding the student in her adjustment.

Records

Within six weeks after the end of each period of affiliation, the Massachusetts General Hospital School of Nursing will send to the McLean Hospital a record of the clinical experience and classwork and a statement of the student's achievement in the practice of clinical nursing.

Inter school Relationships

The Home School shall maintain direct liason with instructors in the various courses for purposes of determining student progress and the steps necessary to assist individual students.

Termination
